STIPULATION TO CONTINUE CASE
 MANAGEMENT CONFERENCE

Courtroom: Oakland, 3rd floor, Room 3
 Judge: Hon. Phyllis J.
 Hamilton

Action Filed: October 6, 2008
 Trial Date: None set

24 IT IS STIPULATED BY THE PARTIES AS FOLLOWS:

- 25 1) A further Case Management Conference is currently set for November 5, 2009.
- 26 2) There is good cause to continue the Case Management Conference one week, to the
- 27 date of November 12 because : (a) The City's counsel in this matter, Lauren Monson, is currently in
- 28

1 the middle of a three day grievance arbitration. The arbitration was originally set for one day,
2 October 20, 2009. At the end of the first day of hearing, the Arbitrator subsequently set two
3 additional days for arbitration, November 5 and November 6. At the time the additional dates were
4 set, Ms. Monson did not realize it conflicted with the November 5 case management conference. Ms.
5 Monson has attempted to continue the arbitration without response from opposing counsel; (b) Due to
6 the complex nature of this case, Ms. Monson does not feel it is appropriate to have another attorney
7 appear for her at the Case Management Conference on November 5; and (c) There are two pending
8 motions to dismiss, motions to sever and motions for a more definitive statement filed by Defendants
9 in this action. One motion filed by defendants the City, Timothy Diestel, Dennis Doyle, Alfred
10 Fleck, Charles Lewis, Allen Nance, John Radogno, Wayne Williams and Barry Young, and the
11 second filed by defendant Bryan Thomasson. Defendants believe the outcome of these motions may
12 significantly impact the scheduling and planning of this case and thus it may be more useful to have a
13 ruling on these motions before the next CMC conference.

14 3) The parties stipulate to a one week continuance of the Case Management Conference,
15 to the date of November 12 at 2:30 p.m., and request that the Court enter an order consistent with this
16 stipulation.
