13 14	Plaintiffs,	JOINT ADMINISTRATIVE MOTION FOR EXTENSION OF NON-EXPERT DISCOVERY CUT-OFF (L.R. 7-11);	
15	V.	ORDER GRANTING ADMINISTRATIVE MOTION

17 18	Defendants.	DATE: TBD TIME: TBD	
19			
20	Plaintiffs Harlan Ives and Shelley Marder ("Plaintiffs") and defendant Kemper		
21	Independent Insurance Company ("Kemper") jointly submit this motion for administrative relies		
22	pursuant to Northern District Local Rule 7-11, seeking an extension of the September 30, 2009		
23	non-expert discovery cut-off deadline as ordered by the Court in the Order for Pre-Trial		
24	Preparation (Document No. 20). The parties seek a one month extension of the non-expert		
25	discovery cut-off deadline to October 30, 2009.		
26	Good cause exists for granting the extension. The parties have decided to further attempt		
27	mediating this action, and to this effect have scheduled mediation with the Hon. Alfred G.		
28	Chiantelli (Ret.) for September 22, 2009. Pr	ior to completing this mediation, the parties wish to	

avoid incurring any further expense in completing discovery, including several costly depositions, before the current deadline.

Moreover, an extension of the discovery cut-off deadline will have no effect on any other pre-trial deadlines set forth in the Order for Pre-Trial Preparation (Document No. 20). As the deadlines currently stand, the next deadline following the September 30, 2009 non-expert discovery cut-off is the October 30, 2009 deadline for expert witness disclosure by both parties. If the non-expert discovery cut-off is extended to October 30, 2009, there is no reason why the expert designation deadline cannot remain set for October 30, 2009 as well. If the parties cannot successfully resolve the matter at the September 22nd mediation, the parties will then have approximately five weeks to complete non-expert discovery and designate expert witnesses. No other deadlines – including the December 10, 2009 expert witness discovery cut-off, the February 9, 2010 dispositive motion hearing deadline, or the March 23, 2010 pre-trial conference – would be affected by the extension.

STIPULATION

Pursuant to Northern District L.R. 7-11(a) and 7-12, and for the reasons discussed above, IT IS HEREBY STIPULATED among Plaintiffs and Kemper, each by and through their counsel, that the parties respectfully request that the Court extend the September 30, 2009 non-expert discovery cut-off to October 30, 2009, without alteration of any other pre-trial dates or deadlines.
