**STIPULATION TO CONTINUE CASE
MANAGEMENT CONFERENCE AND
ORDER**
Complaint Filed: January 20, 2009

18 The undersigned hereby stipulate and jointly request the Court to order as follows:

19 That this is a complex class action, which involves issues related to the search practices of
20 the Alameda County Sheriff’s Office at its jail facilities over a period of years.

21 That counsel for the plaintiffs have recently received over 4000 pages of documents from
22 the defendant, and it is anticipated that the defendant will be producing a large volume of
23 additional documents in the near future.

24 That review of these documents must be completed before meaningful depositions of the
25 defendant’s witnesses can be taken.

26 That the parties have agreed that initial depositions of the defendant’s witnesses will be
27 taken on August 3, 4 and 5, 2010, and that it will likely take several months before plaintiffs’

1 counsel will be able to conclude all necessary depositions.

2 That the case management conference in both of the above actions set for July 13, 2010
3 may be continued to September 14, 2010 at 2:00 p.m., or such other date and time as the court my
4 order.

5 That the parties shall file a joint case management conference statement no later than
6 September 7, 2010.
