11 The Case Management Conference and the hearing on the Motion
12 for Judgment on the Pleadings, previously set for Thursday,
13 December 8, 2011, at 2:00 p.m., are hereby CONTINUED to Thursday,
14 January 12, 2012, at 2:00 p.m. in Courtroom 2, 4th Floor, 1301
15 Clay Street, Oakland, CA 94612. A Case Management Statement is
16 due by January 5, 2012. The previous briefing schedule on the
17 Motion for Judgment on the Pleadings remains in effect.

18 The Court REJECTS the parties' stipulation to extend class
19 certification briefing schedule and fact discovery deadline and
20 modifying case schedule, which was filed on November 15, 2011.
21 The proposed schedule does not allow sufficient time between the
22 date of the hearing on the dispositive motions and cross-motions
23 and Daubert motions and the date for the trial. Further, the
24 proposed schedule requires all parties to file their dispositive
25 and Daubert motions on the same date, whereas the current schedule
26
27
28

1 requires Plaintiffs to do so first and for Defendants to file
2 their cross-motions and oppositions in a single brief.

3 The deadline to File Antitrust Plaintiffs' and Publicity
4 Plaintiffs' Motions for Class Certification and to
5 Disclose Plaintiffs' Class Certification Experts, currently set
6 for December 15, 2011, is hereby VACATED and shall be reset at the
7 case management conference. The parties shall submit their
8 proposed modifications for the case management order as part of
9 their case management statement.
