21 The parties to the above-entitled action jointly submit this
 22 Case Management Statement.

23 A brief description of the events underlying the action:
 24 This is an ERISA collection action against an employer which is
 25 ceasing most operations.

26 Service was accomplished on June 4, 2009. An answer has not
 27 been filed. The parties have been engaged in good faith negotiations
 28 which resulted in a tentative settlement. Just last week an

1 additional issue arose, which has resulted in a new round of
2 negotiations. The parties have exchanged settlement proposals and
3 terms which address the additional issue. The parties are hopeful of
4 reaching a final agreement in the next 5-10 days.

5 Plaintiffs want an answer filed in this case before the date
6 set for this Case Management Conference. The last Stipulation
7 Extending Time has expired.

8 Respectfully submitted.
