26 ¹ The court notes that simply designating information as “HIGHLY CONFIDENTIAL -
27 ATTORNEYS’ EYES ONLY” does not create an entitlement to file confidential information under
28 seal, as provided by the terms of the parties’ Stipulated Protective Order. *See* Docket No. 212 at 1
(stating that “Civil Local Rule 79-5 sets forth the procedures that must be followed and reflects the
standards that will be applied when a party seeks permission from the court to file material under
seal.”)
