parties informed the Court that the dispute was resolved and that the hearing was unnecessary (Dkt. No. 479), and the motion was withdrawn (Dkt. No. 491). Based on the parties' demonstrated ability to resolve disputes in person, the Court will therefore not address Plaintiffs' motion to shorten time until the completion of the ongoing meet and confer process. Should disputes regarding breach of the settlement agreement remain following completion of the meet and confer process, Plaintiffs shall submit to the Court a letter, not to exceed two pages, outlining the disputes that remain unresolved with page references to Dkt. Nos. 493 and 522 and the related declarations and exhibits. The letter shall also advise the Court of the status of the parties' meet and confer discussions regarding the schedule for briefing and hearing on any remaining disputes. Plaintiffs shall attach to their letter the governing settlement agreement pertaining to their motion to enforce; the Court has been unable to locate the agreement in the filings already submitted to the Court.

IT IS SO ORDERED.
