Plaintiff PETER MENDOZA and defendants MCDONALD'S CORPORATION and SYED ALI HUSAIN hereby jointly stipulate and request through their attorneys of record that the Court continue the deadline to complete the General Order 56 site inspection from January 21, 2010 to February 28, 2010.

Good cause exists for the extension:

- 1. Although the parties have been proceeding in good faith and in a diligent manner, it has not been possible to coordinate all the necessary schedules among the attorneys, access consultants, and personnel at the subject premises to complete a site inspection.
- 2. January 21, 2010 is the current General Order 56 deadline to complete the inspection. Although the parties had set January 19, 2010 for the required site inspection, a subsequent Court Order in a different case requires appearance by plaintiff's counsel, making it impossible to proceed with the inspection on that date.
- 3. The parties therefore jointly request an extension of the January 21, 2010 deadline to February 28, 2010, by which to conduct the required General Order 56 inspection.
