4 MARIKA HAMILTON,

No. C 09-4152 CW

5 Plaintiff,

ORDER REGARDING
MOTION FOR SPECIAL
AND LIMITED
INTERVENTION

6 v.

7 WELLS FARGO BANK, N.A.,

8 Defendant.

9 _____/

10 On July 19, 2012, Florin V. Ivan filed a motion for special
11 and limited intervention, seeking permission to intervene in this
12 case for the limited purpose of submitting an untimely exclusion
13 form, and asking the Court to accept the late form.

14 On August 2, 2012, the Court took the motion under submission
15 on the papers and vacated the hearing on the motion. Later that
16 day, Class Counsel filed a statement of non-opposition to Ivan's
17 motion. Defendant Wells Fargo also filed a response, stating that
18 it does not object to Ivan's request for permission to intervene,
19 but reserving its right to respond to Ivan's request for exclusion
20 from the settlement class at the hearing on the motion to
21 intervene.

22 Having vacated the hearing on the motion to intervene, the
23 Court GRANTS Wells Fargo permission to file a supplemental
24 response to Ivan's motion, setting forth any opposition it has to
25 his request that the Court accept his untimely exclusion form.
26 Wells Fargo shall file its supplemental response within five days
27 of the date of this Order in a brief of five pages or less. Ivan
28

1 may submit a reply of five pages or less within two weeks of the
2 date on which Wells Fargo serves its supplemental response.

3 IT IS SO ORDERED.
