On July 2, 2012, Defendant Kamala D. Harris, Attorney General of California, filed her twenty-three page opposition to Plaintiff Therese Marie Pizzo's motion for summary judgment and cross-motion for summary judgment. Docket No. 81. Attorney General Harris concurrently filed a separate eleven page document consisting of objections to Plaintiff's evidence in support of her motion for summary judgment. Docket No. 87.

Civil Local Rule 7-3(a) provides that, when a party files an opposition to a motion, "[a]ny evidentiary and procedural objections to the motion must be contained within the brief or memorandum," which may not exceed twenty-five pages of text. The Attorney General has filed her evidentiary objections separately from her brief. Further, between the two documents, she has filed thirty-three pages of text.
