DEADLINES (Docket
No. 57)

11 Defendants request clarification regarding the date by which
12 pretrial documents shall be submitted to the Court. This Court's
13 Order for Pretrial Preparation in pro se Prisoner Cases sets forth
14 a series of deadlines that flow from the date of the pretrial
15 conference scheduled in a given action. However, in this case,
16 the Court will resolve pretrial matters on the papers, rather than
17 holding a pretrial conference.

18 For the purpose of clarification, the deadlines are set as if
19 there were a pretrial conference scheduled for December 20, 2011.
20 Accordingly, submissions that are due to the Court twenty-eight
21 days before the pretrial conference are due November 22, 2011.

22 IT IS SO ORDERED.
