18 Pro se Plaintiffs¹ Todd Ashker and Danny Troxell, inmates at
19 Pelican Bay State Prison, move for an extension of time to
20 supplement their previous motions for relief from interference,
21 filed on April 8, 2011 (docket no. 29), for an emergency
22 protective order, filed on June 20, 2011 (docket no. 51) and to
23 file a second amended complaint (docket no. 67). Defendants
24 oppose the motions. The motions were taken under submission on
25 the papers.

27 _____
28 ¹ Since they filed these motions, Plaintiffs have obtained
legal representation.

1 resolve the issues raised therein on their own. The Court denies
2 without prejudice Plaintiffs' motion to file a 2AC (docket no.
3 67). The parties have requested that a case management conference
4 (CMC) be held on March 28, 2012 (docket no. 99). The Court grants
5 this request and orders that, before the date of the CMC, the
6 parties meet and confer regarding the issues in dispute and, at
7 the CMC, inform the Court of their progress.
