The data contained in GoDaddy.com, Inc.'s WHOIS database,
while believed by the company to be reliable, is provided "as is"
with no guarantee or warranties regarding its accuracy. This
information is provided for the sole purpose of assisting you
in obtaining information about domain name registration records.
Any use of this data for any other purpose is expressly forbidden without the prior written
permission of GoDaddy.com, Inc. By submitting an inquiry,
you agree to these terms of usage and limitations of warranty. In particular,
you agree not to use this data to allow, enable, or otherwise make possible,
dissemination or collection of this data, in part or in its entirety, for any
purpose, such as the transmission of unsolicited advertising and
solicitations of any kind, including spam. You further agree
not to use this data to enable high volume, automated or robotic electronic
processes designed to collect or compile this data for any purpose,
including mining this data for your own personal or commercial purposes.

Please note: the registrant of the domain name is specified
in the "registrant" field. In most cases, GoDaddy.com, Inc.
is not the registrant of domain names listed in this database.

Subject:	Re: [MyCERT-200912011065922] : Reporting Incident : Domain Infringement

-----BEGIN PGP SIGNED MESSAGE-----
Hash: SHA1
Dear Abuse Team,
MyCERT received a report from an organization regarding a domain registered
under your administration that host a fake website of the original website which
is can be found at www.petronas.com.
Domain: petronastower.net
URL : http://www.petronastower.net
IP : 64.202.189.170
Domain Name: PETRONASTOWER.NET
Registrar: GODADDY.COM, INC.
Whois Server: whois.godaddy.com
Referral URL: http://registrar.godaddy.com
Name Server: NS39.DOMAINCONTROL.COM
Name Server: NS40.DOMAINCONTROL.COM
Status: clientDeleteProhibited
Status: clientRenewProhibited
Status: clientTransferProhibited
Status: clientUpdateProhibited
Updated Date: 02-may-2009
Creation Date: 08-may-2003
Expiration Date: 08-may-2010
The domain is hosting pornographic web contents from http://www.camfunchat.com
which can be used for fraudulent purposes and this can create a likelihood of
confusion to their clients.
As of at this time, MyCERT has confirmed that the above disputed site is still
active online. We would appreciate your assistance to investigate on the above
site and to close the domain as soon as possible.
We appreaciate your prompt response.

Subject:	[FWD: Follow-Up for US-CERT Incident number INC000000066795]

Attention SOC,

We have been notified of a possible breach of security, please review the message we have forwarded to you from the complainant.

If, after investigating this situation, you determine that no action should be taken against this customer or you need more information please reply to this message and the Abuse Department will respond to the complainant (if necessary) or close out the issue.

If you determine that this situation merits a response from Go Daddy please take the appropriate course of action based on your SOP.

Thank you for investigating this complaint.

Sincerely,

Spam and Abuse Department

US-CERT would greatly appreciate your assistance in terminating or shutting this site down. The destination website is hosting a malicious code and the URL is active, accessible and hosting malware. This is the first attempt to remove this malicious code from the network (please replace 'hxxp' with 'http'). Please assist us in a timely removal of this URL from any related domains:

URL: hxxp//www[dot]petronastower.net

IP Address: 64.202.189.170

Domains hosted on this IP address: godaddy.com

The owner/operator of this website may or may not be aware this website may contain malicious code. The US-CERT is requesting that this website be removed from public access until the owner/operator has deleted the malicious content. Please investigate this traffic and reference INC000000066795 regarding this host. US-CERT is interested in learning of the outcome of your

investigation

Abuse,

Reviewing this domain complaint - I found that it is hosted on parkweb - And the index.html which is served contains a frame src reference to camfunchat.com, which appears to be an adult site.   I see no indication that the domain of petronastower.net contains any malicious code.

To: "Go Daddy SOC " <soc@godaddy.com>

Attention SOC,

We have been notified of a possible breach of security, please review the message we have forwarded to you from the complainant.

If, after investigating this situation, you determine that no action should be taken against this customer or you need more information please reply to this message and the Abuse Department will respond to the complainant (if necessary) or close out the issue.

If you determine that this situation merits a response from Go Daddy please take the appropriate course of action based on your SOP.

Thank you for investigating this complaint.

Sincerely,

Spam and Abuse Department
