18 This case was scheduled for a settlement conference with Chief Magistrate Judge Maria-  
 19 Elena James on January 5, 2011. Due to Judge James' health, the settlement conference was  
 20 taken off calendar and the case re-assigned to Magistrate Judge Larson, who scheduled the  
 21 settlement conference to take place on February 11, 2011. On January 10, 2011 the Court issued  
 22 a new Order re-assigning the settlement conference to Magistrate Judge Donna Ryu and ordered  
 23 the ADR/settlement conference to be completed within 90 days or by April 10, 2011.

24 With the assignment of the case to Judge Ryu and the additional passage of time, the  
 25 parties have not been able to agree on a date in the next 60 days that is available on Judge Ryu's  
 26 calendar, both plaintiff and defense counsel's calendar (defense counsel Clyde Thompson is  
 27 scheduled to start jury trials in Sonoma Superior Court beginning 3/18/2011 and 4/8/2011; both  
 28 cases have previous trial calls) and the calendars of the risk management and client

1 representatives that have settlement authority and are required to attend the settlement  
2 conference.

3 Counsel for plaintiff and defendants have conferred on numerous occasions as well as  
4 with Ms. Ivy Garcia Judge Ryu's Calendar Clerk and Courtroom Deputy in an effort to select a  
5 mutually acceptable settlement conference date for all concerned. Given the trial calendars of  
6 counsel and the crowded calendars of the Court and the defendants' risk management/decision-  
7 makers, the parties submit this Stipulation and proposed Order to extend the deadline to  
8 complete ADR until May 31, 2011.

9 The Parties have been cooperating while completing discovery.

10 The next Case Management Conference is now set for April 21, 2011. The parties  
11 request the Court re-set this Case Management Conference until after the settlement conference  
12 as it will likely be a more productive use of the Court's time.

13 IT IS SO STIPULATED.
