ORDER GRANTING  
PLAINTIFFS' MOTION  
FOR LEAVE TO FILE  
A MOTION FOR  
RECONSIDERATION  
(Docket No. 584)

United States District Court  
For the Northern District of California

25 \_\_\_\_\_/  
26 Plaintiff Erin Campbell has filed a motion for leave to file  
27 a motion for reconsideration of the Court's December 20, 2013  
28 order granting in part and denying in part Plaintiffs' motion for  
class certification. Specifically, Plaintiff seeks leave to ask  
the Court to reconsider its denial of certification of a SKS Post-  
Lease Expiration class to pursue a Racketeer Influenced and  
Corrupt Organizations Act (RICO) claim. Having considered the  
motion and the record in the case, the Court GRANTS Plaintiff's  
motion and construes it as her motion for reconsideration. Within  
seven days of the date of this order, Defendants shall file their  
response to the motion for reconsideration. Plaintiff may file a

1 reply within five days thereafter. The Court will take the matter  
2 under submission on the papers.
