12 _____/

13 On November 22, 2011, the Court granted a motion to file
14 under seal filed by Defendants and Counter-claimants Hoops
15 Enterprise LLC and Anthony Kornrumpf, permitting Defendants to
16 file under seal an unredacted version of Exhibit Four offered in
17 support of their opposition to Plaintiff Adobe Systems
18 Incorporated's motion for a preliminary injunction and to file a
19 redacted version of Exhibit Four on the public record.

20 Subsequently, Defendants filed a motion representing to the
21 Court that they had inadvertently filed the unredacted version of
22 Exhibit Four on the public record as Docket No. 127, instead of
23 under seal. Defendants further stated that they had re-filed the
24 unredacted version of Exhibit Four under seal as Docket No. 129.
25 Defendants requested a court order removing Docket No. 127 as an
26 incorrectly filed document.
