1 On December 17, 2010, this Court requested a position letter
2 from the United States regarding issues raised in the above
3 captioned actions, if the United States deems it appropriate. The
4 Court indicated that a response by January 13, 2011, would be most
5 helpful.

6 On January 5, 2011, the United States filed a notice of its
7 potential participation in the litigation, indicating that the
8 matter is under review and that participation must be authorized by
9 the Assistant Attorney General for the Civil Division. The United
10 States requested additional time to respond with a letter or brief
11 regarding its interest in the matter, or to advise that it will not
12 provide such a statement. On January 6, 2011, the Court extended
13 the time for response to February 2, 2011.

14 On February 1, 2011, the United States filed a notice that the
15 review process for authorization to participate in this litigation
16 will not be complete by February 2, 2011. Pursuant to the United
17 States' request for additional time, the Court extends the time for
18 response to February 9, 2011.
