IO GROUP, INC. d/b/a TITAN
 MEDIA, a California corporation,

Plaintiff,

vs.

DOES 1-435, individuals,

Defendants.

EV 10 4382
 CASE NO.:

COMPLAINT:

**COPYRIGHT INFRINGEMENT and
 CIVIL CONSPIRACY**

JURY TRIAL DEMANDED

INTRODUCTION

1. This is an action by IO GROUP, INC. a California corporation, d/b/a Titan Media ("Titan Media"), to recover damages arising from infringement of Io Group's copyrights in its creative works by Defendants DOE 1 to 435 and to enjoin Defendants from future infringement. Defendants reproduced, distributed, and publicly displayed, through the P2P network "eDonkey2000" certain Io Group-owned audiovisual works.

THE PARTIES

2. Io Group, Inc. is a California corporation doing business as “Titan Media,” with its principal place of business located at 69 Converse Street, San Francisco, California 94103. Titan Media produces, markets, and distributes adult entertainment products, including Internet website content, videos, DVDs, photographs, etc. Plaintiff operates and maintains a website by and through which customers paying a monthly subscription fee may view Plaintiff’s photographic and audiovisual works.

3. The true names and capacities, whether individual, corporate, affiliate, or otherwise, of Defendant DOES 1 - 435 inclusive, are presently unknown to Plaintiff, and for that reason Plaintiff sues those Defendants by such fictitious names. Plaintiff is informed and believes and based thereon alleges that each of the DOE Defendants is in some way responsible for the damages herein alleged. Plaintiff will amend this Complaint when it discovers the true names and capacities of the DOE Defendants.

4. Each Defendant used an Internet connection provided by Comcast Cable Communications to access the Internet for the purpose of engaging in the infringing activity complained of herein.

5. Plaintiff is informed and believes and based thereon alleges that each of the Defendants, was and is the agent and representative of the other Defendants, acting within the purpose and scope of said agency and representation. Plaintiff is further informed and believes and based thereon alleges that each of the Defendants, authorized and ratified the conduct herein alleged of each of the other Defendants.

JURISDICTION

6. This Court has subject matter jurisdiction over Plaintiff's claims for copyright infringement and related claims pursuant to 17 U.S.C. §§ 101, *et. seq.*, and 28 U.S.C. §§ 1331 and 1338(a).

7. The Court has personal jurisdiction over Defendants. All Defendants solicit, transact, and are doing business within the State of California and/or have committed unlawful and tortuous acts both within and outside the State of California knowing their acts would cause injury in California. Plaintiff's claims arise out of the conduct that gives rise to personal jurisdiction over Defendants.

INTRADISTRICT ASSIGNMENT

8. Since this matter is based in copyright it may be assigned to any of the three divisions of the District Court for the Northern District of California.

VENUE

9. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1391(b)(2) and 1400(a).

BACKGROUND

10. Technological advances have made it increasingly possible to transfer large amounts of data, including digital video files, by and through the Internet. As Congress and the courts clarify the law and close legal loopholes in order to hold infringers liable for their actions, would-be infringers develop new and often increasingly complex means of engaging in piracy, hoping that the complexity of their systems will help them avoid

1 detection, identification, and prosecution. Defendants' infringement represents one of
2 these manifestations of on-line digital piracy.

3 11. In using the peer-to-peer (P2P) network "eDonkey2000", each of the DOE
4 Defendants conspired with other individuals, including the other DOE Defendants, to
5 reproduce and distribute Plaintiff's copyrighted works. Each of the DOE Defendants
6 conspired to provide other individuals with infringing copies of Plaintiff's works in
7 exchange for receiving infringing copies of other works including other works belonging
8 to Plaintiff.
9
10

11 **FACTS COMMON TO ALL CLAIMS**

12 12. Plaintiff has won numerous awards for its high-quality work beginning with
13 an award for Best Gay Video in its first year in existence (1995). Since then Plaintiff has
14 won awards nearly every year including awards for Best Art Direction, Best Videography,
15 Best Packaging, Best DVD Extras, Best Cinematography, and Best Editing. Competitors
16 and consumers alike recognize Plaintiff as one of the highest quality producers of gay
17 erotica.
18
19

20 13. Each of the audiovisual works at issue in this action is of obvious high
21 production values and is easily discernable as a professional work. Plaintiff created the
22 works using professional performers, directors, cinematographers, lighting technicians, set
23 designers and editors. Plaintiff created each work with professional-grade cameras,
24 lighting, and editing equipment.
25
26

27 14. Each of Plaintiff's works is marked with Plaintiff's trademark (either
28 TitanMedia, TitanMen, ManPlay or MSR Video), a copyright notice, a warning that

1 unauthorized copying is illegal and will be prosecuted, and a statement as required by 18
2 U.S.C. §2257 that age verification records for all individuals appearing in the works are
3 maintained at corporate offices in San Francisco, California.

4
5 15. All Defendants knew or should have known that Plaintiff's principle place of
6 business is in San Francisco, California and that infringement of its works was likely to
7 cause harm in California.

8
9 16. At various times Plaintiff discovered and documented a number of Io Group,
10 Inc. copyrighted works being publicly distributed by DOES 1 through 435 by and through
11 the P2P network "eDonkey2000".

12
13 17. Defendants, without authorization, copied and distributed audiovisual works
14 owned by and registered to Plaintiff.

15
16 **FIRST CAUSE OF ACTION**

17 **COPYRIGHT INFRINGEMENT – 17 U.S.C. §501**

21 set forth in paragraphs 1 through 435, inclusive.

24 audiovisual works reproduced and distributed by Defendants through the P2P network

9 **SECOND CAUSE OF ACTION**
10 **CIVIL CONSPIRACY**

11 457. Plaintiff repeats and incorporates by this reference each and every allegation
12 set forth in the preceding paragraphs.

13 458. Defendants, and each of them, conspired with the other Defendants by
14 agreeing to provide infringing reproductions of various copyright protected works,
15 including Plaintiff's works, in exchange for infringing reproductions of other copyright
16 protected works, including Plaintiff's works.

17
18 459. Each Defendant then took affirmative steps to advance the conspiracy by
19 unlawfully and without authorization reproducing Plaintiff's copyrighted works and
20 making those works available on eDonkey2000 in anticipation of receiving other
21 infringing copies of copyright protected works in exchange.

22
23 **JURY DEMAND**

24
25 460. Pursuant to Rule 38 of the Federal Rules of Civil Procedure, Plaintiff
26 demands a trial by jury of all issues properly triable by a jury in this action.
