UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

Phyllis Wehlage, on her behalf and on behalf
of others similarly situated,

Plaintiffs,

v.

EmpRes Healthcare, Inc., et al.,

Defendants.

Case No. C10-05839 CW

**ORDER GRANTING PLAINTIFFS'
ADMINISTRATIVE MOTION TO SEAL
CERTAIN INFORMATION FILED IN
SUPPORT OF MOTION FOR
PRELIMINARY APPROVAL OF CLASS
ACTION SETTLEMENT**

Courtroom 2

Plaintiffs have filed an Administrative Motion to Seal certain documents lodged in support of Plaintiffs' Motion for Preliminary Approval of Class Action Settlement. The Court, having reviewed the pleadings, and good cause having been shown, finds as follows:

The documents, lodged with the Court under seal with the Court on May 16, 2012, contain references to (1) Defendants' highly confidential business information, and (2) information that is subject to confidentiality agreements with third parties. The Court finds that Defendants have strong interests in keeping this information confidential and that these interests overcome the public's right to access these records. The Court further finds that Defendants' overriding interests support sealing the Exhibits, and a substantial probability exists that Defendants' interests would be prejudiced if these documents were not sealed. Moreover, the proposed sealing is narrowly tailored; no less restrictive means exist to protect the overriding interests in question.
