ORDER RE RECORD ON APPEAL

The court has received the record on appeal, and notes that in its November 10, 2011 amended designation of record, defendant/appellant International Contact Technologies ("ICT") designated transcripts from two proceedings not previously designated: (1) the May 6, 2010 hearing on a motion to strike jury demand; and (2) the November 30, 2010 bench trial. The court has not yet received those transcripts. The court's prior order required ICT to ensure preparation and transmission of the transcripts to this court **no later than December 6, 2011**. Once the court has received the transcripts, the court will issue a briefing order.

IT IS SO ORDERED.
