**United States District Court**  
For the Northern District of California

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

LIN,

No. C 11-00619 DMR

Plaintiff(s),

**ORDER**

v.

CHIANG,

Defendant(s).

On November 10, 2012, the parties filed a stipulation to file a first amended complaint. [Docket No. 41.] However, the document attached to the stipulation appears to be a fusion of an outdated case management statement and a proposed amended complaint. The court therefore ORDERS that the parties refile the stipulation with a proper attachment no later than December 7, 2012.

IT IS SO ORDERED.

Dated: December 5, 2012
