UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

EVANS ET AL,

No. C-11-01078 DMR

Plaintiff(s),

**ORDER TO SUBMIT ADDITIONAL
INFORMATION IN SUPPORT OF
MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION
SETTLEMENT**

v.

LINDEN RESEARCH, INC. ET AL,

Defendant(s).

Plaintiff has filed a motion for preliminary approval of a class action settlement. [Docket No. 113.] Following a hearing on the matter, Plaintiff submitted supplemental information in support of the motion, including an amended settlement agreement. [Docket No. 121.]

The court has reviewed the supplemental information and finds that the amended settlement agreement, [Docket No. 121-1], contains typographical errors. Section 1.8, on page 3, contains a sentence fragment rather than a substantive provision (“by Defendant Linden’s suspension or closure of their Second Life accounts.”), and the time period set forth on the first line of page 9 is inconsistent (“active until at least thirty (90) days”). In addition, Plaintiff submitted a declaration by Richard W. Simmons regarding class notice, [Docket No. 121-3], that was signed but not dated.

1 Therefore, by no later than October 16, 2013, the parties shall submit a second amended settlement
2 agreement and an updated Simmons declaration addressing these issues.

3
4 IT IS SO ORDERED.
