3 IN THE UNITED STATES DISTRICT COURT  
4 FOR THE NORTHERN DISTRICT OF CALIFORNIA  
5

6  
7 NICK R. HUGHES,

No. C 11-01185 SBA (PR)

8 Petitioner,

**ORDER GRANTING MOTION FOR  
RELIEF FROM JUDGMENT**

9 v.

10 JOHN MARSHALL, Warden,

Docket no. 16

11 Respondent.  
\_\_\_\_\_ /

12  
13 On March 10, 2011, Petitioner, a state prisoner, filed a petition for a writ of habeas  
14 corpus pursuant to 28 U.S.C. § 2254. On May 18, 2011, Respondent filed a motion to  
15 dismiss based on untimeliness and lack of exhaustion. (Dkt. 9). On December 20, 2011, the  
16 Court issued an Order denying the motion to dismiss based on untimeliness. However, the  
17 Court found that the petition was a mixed petition because it contained exhausted and  
18 unexhausted claims, and ordered Petitioner to inform the Court within thirty days from the  
19 date of the Order how he wanted to proceed with his mixed petition. (Dkt. 14). On January  
20 30, 2012, the Court dismissed the petition without prejudice because Petitioner had not  
21 responded to the Court's Order within thirty days.

22 On March 12, 2012, Petitioner filed the instant motion to set aside the judgment under  
23 Rule 60 of the Federal Rules of Civil Procedure. In his motion, Petitioner states that he  
24 received the Court's January 30, 2012 Order on February 13, 2012 and allegedly learned for  
25 the first time that the Court had issued the December 20, 2011 Order to which he had not  
26 responded. Petitioner claims that he never received the December 20, 2011 Order, and thus,  
27 was not aware of his need to respond. Petitioner checked at the prison "post office" and was  
28 told that there was no record that the prison received the December 20, 2011 Order from the  
Court. Petitioner requests that this Court vacate the January 30, 2012 Order and reinstate the  
December 20, 2011 Order.

1 "A motion for reconsideration should not be granted, absent highly unusual  
2 circumstances, unless the district court is presented with newly discovered evidence,  
3 committed clear error, or if there is an intervening change in the controlling law." 389  
4 Orange Street Partners v. Arnold, 179 F.3d 656, 665 (9th Cir. 1999). Reconsideration is an  
5 "extraordinary remedy, to be used sparingly in the interests of finality and conservation of  
6 judicial resources." Kona Enters. v. Estate of Bishop, 229 F.3d 877, 890 (9th Cir. 2000).

7 The Court finds that reconsideration is warranted in this case. Because Petitioner  
8 never received the Court's Order dismissing his case without prejudice, he was unaware that  
9 he was required to respond within thirty days of the date of the Order. Once Petitioner  
10 realized that he had not received the Court's December 2011 Order, he promptly sought  
11 relief from this Court. Thus, Petitioner's motion for relief from judgment is granted and his  
12 case will be reopened. Accordingly,

13 IT IS HEREBY ORDERED THAT:

- 14 1. Petitioner's motion for relief from judgment is GRANTED.
- 15 2. The Clerk shall re-open this case.
- 16 3. The Clerk shall send to Petitioner a copy of the Court's December 20, 2011 Order  
17 together with this Order.
- 18 4. Petitioner shall respond to the December 20, 2011 Order within thirty days of the  
19 date of this Order is filed.
- 20 5. This terminates Docket no. 16.

21  
22 IT IS SO ORDERED.

23 DATED: 12/10/12

  
SAUNDRA BROWN ARMSTRONG  
United States District Judge

1 UNITED STATES DISTRICT COURT  
2 FOR THE  
3 NORTHERN DISTRICT OF CALIFORNIA

4 NICK R HUGHES,

5 Plaintiff,

6 v.

7 JOHN MARSHALL et al,

8 Defendant.
