Helping you run your small business, one app at a time.

Credit Card Terminal

\$49.99 • Turn your iPhone into a mobile credit card terminal and accept customer payments when you're on the go. It's the simple, secure way to ensure you never miss a sale.

Print & Share

\$6.99 • Wirelessly access email attachments, photos and other documents that are on your computer – and print them directly from your iPhone to a local printer.

FedEx Mobile

Free • FedEx Mobile not only tracks all your FedEx shipments right from your iPhone – it can also create shipping labels, get rate quotes and find the nearest FedEx office.

Jott

Free • Just speak into your iPhone's built-in mic, and Jott amazingly converts the recordings into SMS, email, or online notes. Makes managing your memos and lists easier than ever.

SimpleMind Xpress

Free • Let your iPhone be your brainstorming partner. SimpleMind Xpress is an intuitive, mind-mapping application that helps you visually express and organize your thoughts and ideas.

Nomina

\$14.99 • Starting a new business? Nomina can help you pick a name, find available web domains, and run trademark searches – right on your iPhone.

Quicksheet™

\$12.99 • Create, edit and save spreadsheet files on your iPhone. And with support for over 125 spreadsheet functions, it works just like it does on your computer.

Mint.com

Free • Keep a close eye on your company's overall financial health. Information from all your online financial accounts can be synced together and viewed securely, in one convenient place.

Jobs - Time Tracking

\$3.99 • Track your billable hours across multiple projects, everywhere your work takes you. Also create timesheets that can be exported and edited in almost any spreadsheet program.

Analytics App

\$5.99 • Want to see how your web site's performing? Analytics App shows you your site's unique visitors, page views and other statistics using a series of customizable reports.

LogMeIn

\$29.99 • With your iPhone, you can remotely view your computer desktop over the 3G network or Wi-Fi connection – and access files when you're away from the office.

YellowPages.com

Free • By using your iPhone's GPS, YellowPages.com can find specific stores and businesses near you. Save searches and get directions or business hours with just a few taps.

The best phone on the nation's fastest 3G network gets even better, with over 25,000 apps on the App Store. iPhone users have already downloaded over 800 million, in every category from games to business.
