Features Design iOS 4 Apps for iPhone Gallery Tech Specs

Over 350,000 ways to make iPhone even better.

The apps that come with your iPhone are just the beginning. Browse the App Store to find hundreds of thousands more, all designed specifically for iPhone. Which means there's almost no limit to what your iPhone can do.

The world's largest collection of mobile apps.

The App Store is the ultimate source for mobile apps — 350,000 and counting in practically every category. Many are even free.

Get updates fast.

iPhone tells you when new versions of your apps are available. Download the updates one at a time or all at once.

Download apps with a tap.

Getting apps onto your iPhone couldn't be simpler. Just find the ones you want, then tap to download them.

Find more perfect apps.

The Genius feature recommends new apps based on ones you already have. Or you can browse best sellers, staff picks, and more.
