) **[PROPOSED] ORDER RE: DECEDENT'S  
MEDICAL AND PSYCHOLOGICAL  
RECORDS**

15  
16 On June 22, 2012 this Court issued an Order directing plaintiff to produce all decedent's  
17 medical and psychological records for the five years preceding the incident. Plaintiff's counsel  
18 has produced some medical and psychological records within the five years prior to the incident  
19 but withheld records dated within five years prior to the incident that incorporate information  
20 outside the five-year period under a claim of privilege. On October 19, 2012, counsel for  
21 TASER International, Inc. filed a letter brief requesting clarification of this Court's June 22,  
22 2012 Order.

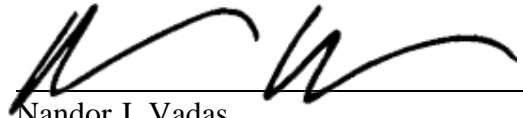

23 Counsel were given an opportunity to be heard on the matter. Having considered the  
24 arguments of counsel, the Court finds that good cause exists for this Court to order plaintiff June  
25 Sylvester to produce all decedent's medical and psychological records generated within the five  
26 years preceding the incident, even if those records refer to or incorporate events that occurred

27 ///

1 outside the five year period. Plaintiff shall produce the responsive records to TASER within ten  
2 (10) days of the date of this Order.

3 **IT IS SO ORDERED.**
