UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

MICHAEL HOLLINS,

Petitioner,

No. C 11-1601 PJH (PR)

vs.

**ORDER FOR PETITIONER TO
SHOW CAUSE WHY
PETITION SHOULD NOT BE
DISMISSED AS MOOT**

UNITED STATES OF AMERICA and
UNITED STATES MARSHALS
SERVICE,

Respondents.

_____ /
This is a habeas case filed pro se by a state prisoner. At the time the petition was filed, petitioner was held in the Alameda County Jail in anticipation of a hearing on revocation of his federal supervised release. In the petition he asks that the court order that his hearing be held immediately, or that he be released from supervision. He subsequently admitted the revocation charges and supervised release was revoked. See *United States v. Hollins*, 92-cr-00126-SBA (Order June 16, 2011). It thus appears that this petition is moot.

Within fifteen days of the date this order is entered, petitioner shall show cause why this petition should not be dismissed as moot. If he does not respond, or if he is unable to show that the petition is not moot, the case will be dismissed.

IT IS SO ORDERED.

Dated: November 10 2011.

PHYLLIS J. HAMILTON
United States District Judge
