United States District Court
For the Northern District of California

The Court hereby WITHDRAWS its Order of February 24, 2012, in which it referred Plaintiff's motion for default judgment against Defendant South Atlantic Container Lines Ltd. to a magistrate judge for a report and recommendation. The referral was made in error, because the Court had previously indicated that Plaintiff could not renew its motion for default judgment unless "it dismisses the other Defendants from this action or at other such time that a judgment adjudicating all the claims and all the parties' rights and liabilities may be entered." Docket No. 15 at 2.

Plaintiff's motion for partial default judgment is taken under submission on the papers.

IT IS SO ORDERED.

Dated: 4/5/2012
