10 CUPRUM ALUMINIO S.A. de C.V., et al.,

11 Defendants.

Case No.: C-11-03758-YGR

**ORDER REGARDING APRIL 16, 2012 CASE
MANAGEMENT CONFERENCE**

13
14 On April 11, 2012, Plaintiff's counsel, Thomas Beatty, submitted a declaration regarding the
15 April 16, 2012 Case Management Conference. (Dkt. No. 38.) Having ordered that lead trial counsel
16 appear at the conference (Dkt. No. 37), Mr. Beatty requests that another attorney appear because he
17 will be in trial and cannot appear. Alternatively, the parties are amenable to continuing the Case
18 Management until late May or early June, when Mr. Beatty's trial will be completed.

19 In light of the fact that the parties have reviewed the profiles of Magistrate Judges and are
20 meeting and conferring to determine whether they can agree to consent to a particular Magistrate
21 Judge(s) and due to Mr. Beatty's trial schedule, the Court hereby **VACATES** the April 16, 2012 Case
22 Management Conference. However, the Court wishes to re-set the Case Management Conference
23 before late May or early June. Mr. Beatty is hereby **ORDERED** to submit a notice to the Court with the
24 case name, number, and court in which his trial is proceeding and identify dark days in that court's
25 trial schedule (if any). This Notice shall be filed no later than April 18, 2012.

26 The certification previously ordered in Dkt. No. 37 regarding Magistrate Judges shall be filed
27 by April 18, 2012, including an indication whether the parties submit to the jurisdiction of a particular
28 Magistrate Judge for all purposes.
