UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

KIM Y. TREVILLION,

Plaintiff,

No. C 11-4474 PJH

v.

ORDER

HARRY E. DILLON, et al.,

Defendants.

The court is in receipt of plaintiff's request that "cases 04099 and 4505 be reassigned from Judge Vadas and reassigned to a neutral and unbiased judge." The court notes, however, that Judge Vadas does not preside over the instant action (indeed, defendants also recently filed a declination in this case). Thus, plaintiff has not presented the court with any actionable request for relief in the above-referenced action.

To the extent plaintiff requests relief in unrelated cases C 11-4099 or C 11-4505, plaintiff must file her request in those actions if she wishes her request to be taken under submission.

IT IS SO ORDERED.

Dated: November 16, 2011

PHYLLIS J. HAMILTON
United States District Judge

For the Northern District of California
