## Christopher C. Campbell

Practice focuses on intellectual property with particular emphasis on all aspects of patent law, including patent infringement litigation, client counseling, licensing and transactional matters, patent prosecution and freedom to operate opinions. Mr. Campbell also has extensive experience in complex patent practice matters, including patent interference, reissues, reexaminations, appeals and protests, as well as claims relating to trademark and copyright matters, including infringement claims; unfair competition and deceptive trade practices; misappropriation of trade secrets, false advertising; claims relating to licensing, distribution and other contracts relating to intellectual property rights in U.S. district and appellate courts and before the International Trade Commission.

### Relevant Experience

- Participated in all aspects of complex patent infringement litigation, including *Markman* hearings and jury and bench trials in various technological areas, including cable TV networks, disposable absorbent products, power tools, retaining walls, athletic shoes and poly bags
- Represent both “bricks and mortar” and e-commerce companies in Intellectual Property counseling, including corporate IP audits and licensing
- Established corporate intellectual property programs for several clients and assist in administering corporate patent estates by sitting on intellectual property committees of various clients
- Negotiated numerous patent licenses in a variety of technologies, including vision recognition technology, product sorting devices, adhesives, fiber tow technologies, manufacturing equipment
- Provided frequent counseling to clients with respect to new product clearances, invalidity analysis and enforcement of patent portfolios

Christopher C. Campbell

- Conducted numerous infringement analyses in advance of patent infringement litigation
- Voted by peers as one of 25 best Intellectual Property attorneys in annual *Virginia Business* (Dec. 2001) survey.
