RESUBMISSION OF SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

According to the United States Patent & Trademark Office's (PTO) Patent Application Information Retrieval (PAIR) system, the supplemental Information Disclosure Statement (IDS) originally submitted by Applicants on June 29, 2004, which disclosed two references cited in corresponding European patent application no. 009287038, does not appear to be entered into the record of the instant application. In order to ensure that the PTO enters the two references into the record and considers such, Applicants hereby resubmit the original submission.

Copies of the original submission are enclosed including a date-stamped postcard indicating that the original supplemental IDS of June 29, 2004 and the requisite fee were received by the PTO's Office of Initial Patent Examination (OIPE) on June 29, 2004.

It is believed that no fee is required for consideration of this resubmission. However, in the event that a fee is deemed necessary to enter this Resubmission of Supplemental IDS or to maintain the instant application pending, the Commissioner is authorized to charge such fee to the undersigned's Deposit Account No. 50-0206.
