ORDER DISMISSING
CASE FOR FAILURE
TO PROSECUTE

11 _____/

12 On November 23, 2011, Defendants Countrywide Home Loans,
13 Inc., doing business as America's Wholesale Lender, a wholly-owned
14 subsidiary of Bank of America, N.A., ReconTrust Company, N.A.,
15 and Mortgage Electronic Registration Systems, Inc. filed a motion
16 to strike or dismiss the complaint filed by pro se Plaintiffs
17 Roberto Iniguez and David-Wynn Miller. On December 8, 2011, this
18 Court allowed Plaintiffs to file any opposition to Defendants'
19 motion by December 15, 2011, and stated that failure to do so
20 would result in their action being dismissed for failure to
21 prosecute.

22 Plaintiffs did not file an opposition to Defendants' motion
23 to dismiss. Accordingly, the Court DISMISSES Plaintiffs' action
24 without prejudice for failure to prosecute.

25 IT IS SO ORDERED.
