The Court hereby refers Defendant Tessera, Inc.'s motion to file under seal the unredacted versions of its Answer and Counterclaims and Exhibits A and B to its Counterclaims (Docket No. 149) to the Special Master for adjudication. This motion "cannot be effectively and timely addressed" by this Court, see Federal Rule of Civil Procedure 53(a)(1)(C), and the Court has determined that the Special Master already addressing motions to seal the same or similar documents in this case, and in the related cases, will be able to review these issues more thoroughly.
