6

7 ANTHONY DONELSON,

8

Plaintiffs,

No. C 12-0725 PJH

9

v.

**ORDER DISMISSING CASE**

10 JAMES O'CALLAHGAN, et al.,

11

Defendants.

/

12  
13 On June 14, 2012, following plaintiff Anthony Donelson's failure to appear at a  
14 scheduled case management conference, the court issued an order to show cause ("OSC")  
15 why the above-entitled action should not be dismissed pursuant to Federal Rule of Civil  
16 Procedure 41(b) for failure to prosecute, and pursuant to Federal Rule of Civil Procedure  
17 4(m) for failure to serve the defendants within 120 days of filing the complaint.

18 The OSC ordered plaintiff to appear at the Federal Courthouse on July 5, 2012, at  
19 2:00 p.m., and cautioned that if plaintiff failed to appear, the case would be dismissed for  
20 failure to prosecute. Plaintiff did not appear at the hearing on the OSC on July 5, 2012 as  
21 ordered. Nor did he file an opposition to the defendants' pending motion to dismiss, which  
22 is presently set for hearing on August 8, 2012.

23 The court having considered the five factors set forth in Malone v. United States  
24 Postal Service, 833 F.2d 128, 130 (9th Cir. 1987), and having determined that  
25 notwithstanding the public policy favoring the disposition of actions on their merits, the  
26 court's need to manage its docket and the public interest in the expeditious resolution of the  
27 litigation require dismissal of this action. In view of plaintiff's lack of response to this court's  
28 prior order(s), the court finds there is no appropriate less drastic sanction. Accordingly, this

**United States District Court**  
For the Northern District of California

1 action is dismissed pursuant to Fed. R. Civ. pro. 41(b) for plaintiff's failure to prosecute.

2 The August 8, 2012 hearing date is VACATED.
