On May 24, 2012, Plaintiff Michele Fotinos filed a response to Defendant Attorney General Kamala Harris's motion to dismiss and an ex parte application to file the response out of time. Docket Nos. 43 and 44. In both documents and their supporting exhibits, Plaintiff improperly included the full name of the minor child, R.F., and other personally identifying and sensitive information related to R.F., including her full date of birth, her medical record number, her confidential medical records and her home address. See Federal Rule of Civil Procedure 5.2 (providing that, in a filing containing a birth date or the name of an individual known to be a minor, a party include only the year of birth and minor's initials).
