1 On January 14, 2014, the parties filed a stipulation again to
2 continue the dispositive motions hearing and case management
3 conference in these related cases from January 23, 2014 to
4 February 27, 2014. This stipulation (Docket No. 50 in Case No.
5 13-0777; Docket No. 39 in Case No. 13-1769; Docket No. 38 in Case
6 No. 13-1029; Docket No. 99 in Case No. 12-2658) is DENIED.
7 Instead of continuing the hearing date, the Court DENIES without
8 prejudice the pending cross-motions for summary judgment (Docket
9 Nos. 33 & 38 in Case No. 13-0777; Docket No. 30 in Case No. 13-
10 1769; Docket No. 29 in Case No. 13-1029) and continues the case
11 management conference to Wednesday, February 26, 2014 at 2:00 p.m.
12 The parties may re-notice their summary judgment motions for a
13 later date if they are ultimately unable to finalize their
14 settlement agreement.

15 If the summary judgment motions hearing were continued until
16 February 27 as the parties requested, or thereafter, the April 7,
17 2014 trial date would no longer be viable. Accordingly, the
18 previously set trial and pretrial conference dates are hereby
19 VACATED. These dates will be reset if the parties fail to
20 finalize their settlement agreement.

21 IT IS SO ORDERED.
