| 26       | v. EBAGS, INC. and TELLAPART, INC.   | CASE MANAGEMENT SCHEDULE  |  |
| 26<br>27 |  |   |  |

Pursuant to Civil Local Rule 6-1(b), this Stipulation is entered into by and among Plaintiff Internet Patents Corporation, f/k/a Insweb Corporation ("Plaintiff" or "IPC"), and Defendants eBags, Inc. ("eBags") and TellApart, Inc. ("TellApart") (IPC, eBags, and TellApart will be collectively referred to as "the Parties"), by and through their respective counsel:

WHEREAS, IPC filed this suit for patent infringement against Defendants eBags, Inc. and TellApart, Inc. on June 29, 2012;

WHEREAS, the parties originally filed a Joint Case Management Statement with a Proposed Case Management Schedule on January 31, 2013 [Dkt. No. 35];

WHEREAS, the Case Management Conference was held on February 7, 2013 and per the instructions of the court a revised Case Management Statement with a Proposed Case Management Schedule was emailed to the Court on February 14, 2013;

WHEREAS, a difference of opinion arose between the parties regarding the proposed schedule's deadlines;

WHEREAS, the parties met and conferred regarding the schedule on April 22, 2013 and in an effort to avoid motions practice and in the spirit of cooperation, the parties agreed to amend the proposed schedule to clear up any ambiguity regarding the remaining deadlines. As a result, the parties agreed to make changes to only two deadlines: (1) the date for service of Defendants' invalidity contentions (from May 23, 2013 to May 14, 2013) and (2) the date the parties would serve lists of proposed terms to be construed (from June 6, 2013 to June 7, 2013).

WHEREAS, the Court has not yet signed the order for the Joint Case Management Statement and Proposed Case Management Schedule; and

WHEREAS, the amendment to the Proposed Case Management Schedule is not done for delay, but so that justice may be done.

NOW, THEREFORE, the Parties hereby stipulate and agree, subject to approval by the Court, as follows:

- The Parties shall substitute the Proposed Case Management Schedule with the 1. Amended Proposed Case Management Schedule as Appendix A to the Parties' Joint Case Management report submitted to the Court, a copy of which is attached hereto;
- 2. The Amended Proposed Case Management Schedule will be as follows (with previous dates shown):

## **APPENDIX A:** AMENDED PROPOSED CASE MANAGEMENT SCHEDULE

With the exception of a few agreed upon dates, the Parties believe that the case schedule should be set in accordance with the N.D. Cal. Patent Local Rules and that a Claim Construction Hearing should be set at the Court's direction. The deadlines following construction will be based on the dates provided at a later Case Management Conference to be held following the Claim Construction Hearing.
