issue an order mandating a schedule. Failure to comply will result in the appropriate sanction, including monetary and/or evidentiary in nature.

Given the limited scope of defendants' Motion to Dismiss AngioScore, Inc.'s Third Amended Complaint (Dkt. No. 230) and its potential impact on discovery, the Court hereby advances briefing. To the extent that any additional facts exist to support plaintiff's claims as discussed therein, they shall be proffered as part of the opposition. Failure to include such a proffer will be deemed as an admission that no additional facts exist at this time. Defendants' reply shall be filed by July 22, 2014 and shall not exceed 10 pages in length. To the extent the Court deems it necessary, oral argument shall occur on July 29, 2014 at 2:00 p.m.

With respect to the case schedule, the Court will make necessary adjustments on Friday.

Finally, the parties are **ORDERED TO SHOW CAUSE** why Case No. 14-2946-LB, *TriReme Medical, LLC v. AngioScore, Inc.*, should not be related to the instant case pursuant to Civil Local Rule 3-12. Each side shall file electronically a separate written response to this Order to Show Cause, not to exceed two pages exclusive of caption and signatures, by 5:00 p.m. on Thursday, July 10, 2014. The Order to Show Cause hearing shall be held concurrently with the July 11 case management conference.
