**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA**

FUZZYSHARP TECHNOLOGIES INC.,
Plaintiff,
vs.
INTEL CORPORATION,
Defendant.

Case No.: 12-CV-04413 YGR
**ORDER RESETTING CLAIM CONSTRUCTION
HEARING AND ORAL ARGUMENT ON
MOTION FOR SUMMARY JUDGMENT**

On October 3, 2013, the Court issued an order resetting the hearing on the claims construction hearing and setting a time for oral argument of the pending summary motion. (Dkt. No. 67.) The Court has since been informed that the new hearing date presented a conflict for Defendant’s counsel. Given the limits on the Court’s availability during the month of October, and the inefficiency of delaying these hearings further, the Court hereby **RESETS** the hearing on the claims construction to the original date of **October 9, 2013 at 2:00 p.m.** and sets oral argument on the pending motion for summary judgment on grounds of lack of patent eligibility under section 101 **at that same time.** The parties should be prepared to address ALL issues at this hearing.

Plaintiff may still file any written response to the Second Supplemental Brief no later than close of business **October 9, 2013**, in addition to making any oral argument on the record.

IT IS SO ORDERED.

Date: October 4, 2013
