 20 **RECITALS**

21 On February 25, 2013, Defendants Mission Petroleum, Inc., Hakam Singh Misson and  
 22 Simrat Kaur Misson ("Defendants") removed this case to this Court. On March 18, 2013,  
 23 Plaintiff Phillips 66 Company and Defendants (the "Parties") further met and conferred, by and  
 24 through counsel of record, over the telephone in accordance with Federal Rule of Civil  
 25 Procedure 26, Civil Local Rule 16-9 and this Court's Standing Order. The Parties had  
 26 previously met and conferred with respect to continuing time to file responsive pleadings to  
 27 Plaintiffs Complaint. The Parties have now discussed the ADR Process selection and jointly  
 28 decided that this case might benefit from an early settlement conference before a United States

1 Magistrate Judge for the Northern District of California. The Parties further agreed that it would  
2 be in their best interest to minimize motion practice and litigation costs in this matter pending the  
3 conclusion of the early settlement conference. Accordingly, the Parties have reached the  
4 following agreement.
