**ORDER GRANTING IN PART AND DENYING IN PART PLAINTIFFS' MOTION APPROVING DISBURSEMENT OF REMAINING SETTLEMENT FUNDS**

Re: Dkt. No. 139

United States District Court  
Northern District of California

Upon due consideration of Plaintiffs' Motion for Approval of Disbursement of Remaining Settlement Funds (Dkt. No. 139, "Motion"), **IT IS HEREBY ORDERED** that:

1. The Settlement Administrator ("KCC") is directed to make supplemental settlement payments to all class members who previously cashed their prior settlement checks ("Supplemental Settlement Payments").
2. The per class member amount of the Supplemental Settlement Payments shall be determined as follows. First, the move-in fees and initial monthly rent payment for class member in question shall be divided by the total move-in fees and initial month rent for all class members eligible for the Supplemental Settlement Awards to derive a "Supplemental Settlement Payment Percentage." The Supplemental Settlement Payment Percentage shall then be applied to the remaining Settlement Fund (net of the amounts specifically approved below) to derive the Supplemental Settlement Payment amount. The Supplemental Settlement Payment checks shall be subject to a 90-day check cashing deadline.
3. All monies remaining in the Settlement Fund shall be used to pay the Supplemental Settlement Awards, except as specifically provided below.
