 24 ¹ Unwired Planet understands that the Court's Standing Order for Patent Cases requires an opening, response, and reply brief. Unwired Planet will defer to the Court's preference on the claim construction briefing procedure. Accordingly, Unwired Planet does not oppose Apple's proposal if the Court prefers simultaneous briefing.

25
 26
 27 ² Because neither Party bears the burden of proof during claim construction, Apple proposes that the Parties submit simultaneous opening claim construction briefs and thereafter submit simultaneous responsive claim construction briefs. No reply brief would be submitted.
