Case: 4:13-cv-04449-KAW

**STIPULATION AND  
[PROPOSED] ORDER TO  
CONTINUE EXPERT  
DEADLINES AND CONTINUE  
THE CASE MANAGEMENT  
CONFERENCE**

Complaint Filed: September 25, 2013

Trial Date: February 9, 2015

22 IT IS HEREBY STIPULATED BY AND BETWEEN THE PARTIES,  
23 through their attorneys of record that:

24 1. The parties wish to continue the non-expert discovery by a week to  
25 September 16, 2014, and continue the expert deadlines by four weeks. However,  
26 the parties wish to maintain all other deadlines, including, but not limited to, the  
27 last day to hear a motion for summary judgment, the pretrial conference, and trial

1 date as set forth in the January 7, 2014, Case Management Conference and Order  
2 for Jury Trial.

3 2. The parties also respectfully request a continuance of the Case  
4 Management Conference until after the August 27, 2014, Settlement Conference  
5 scheduled with the Honorable Maria-Elena James. The parties have met and  
6 conferred, and have agreed to September 2, 2014, as the new Case Management  
7 Conference date.

8 3. The parties respectfully request the continuance because there is  
9 currently pending an August 27, 2014, Settlement Conference scheduled with the  
10 Honorable Maria-Elena James. By continuing the expert deadlines the parties  
11 will save substantial sums that can be applied towards a settlement of the matter,  
12 thereby increasing the likelihood of settlement.

13 4. The parties respectfully request that any modification of the expert  
14 deadlines still maintain the current trial date, pretrial conference date, and the last  
15 day to hear a motion for summary judgment.

16 5. The parties respectfully request that the deadline to disclose experts  
17 and expert reports be continued four weeks from September 9, 2014, to  
18 October 7, 2014.

19 6. The parties respectfully request that the last day to disclose rebuttal  
20 experts and their reports be continued from September 23, 2014, to October 21,  
21 2014.

22 7. The parties respectfully request that the expert discovery cutoff,  
23 including any testing or inspections be continued four weeks from  
24 October 7, 2014, to November 4, 2014.
