1 Plaintiff, CSAA INSURANCE EXCHANGE ("Plaintiff"), and  
2 defendant, BRASSCRAFT MANUFACTURING COMPANY ("Defendant"), submit  
3 the following stipulation of the parties pursuant to ADR L.R. 5-5  
4 and Civil L.R. 7-12, and hereby respectfully request that the Court  
5 extend the deadline for the parties to complete Early Neutral  
6 Evaluation ("ENE") from July 15, 2014 to September 26, 2014.

7 On April 16, 2014, the Court issued its Civil Case Management  
8 Conference, ordering this case to a hybrid ENE process. Therefore,  
9 pursuant to ADR L.R. 5-4(b), the ENE session must be held no later  
10 than July 15, 2014, i.e. within ninety (90) days after the entry of  
11 the Order referring the case to ENE.

12 On May 19, 2014, the Court issued its Notification of the  
13 Appointment of Evaluator, appointing George C. Fisher as Evaluator  
14 in this matter. On June 2, 2014, pursuant to ADR L.R. 5-7, the  
15 Evaluator and counsel for the parties conducted the pre-ENE  
16 telephone conference to discuss the procedures and scheduling of  
17 the ENE session.

18 During the telephone conference, counsel and Mr. Fisher  
19 discussed the necessary discovery to be completed prior to the ENE  
20 session in order to maximize utility of the ENE session and the  
21 prospects for resolution of this matter. Based on this discussion,  
22 as well as a discussion as to the availability of the Evaluator,  
23 parties, and counsel, it was agreed that the ENE session is to take  
24 place as follows:

25 Date: September 18, 2014  
26 Time: 10:00 a.m.  
27 Place: Federal Building  
450 Golden Gate Avenue, 16<sup>th</sup> Floor  
28 San Francisco, California 94102

1           Therefore, the parties respectfully request that the Court set  
2 September 26, 2014 as the deadline by which the ENE session must be  
3 held.

4           Defendant submits this Stipulation for filing, and hereby  
5 attests that Plaintiff, whose signature is listed below and on  
6 whose behalf this filing is submitted, concurs with content  
7 contained herein and has authorized it for filing.

**PROPOSED ORDER ON STIPULATION**

After due consideration by the Court of the stipulation by and between plaintiff, CSAA INSURANCE EXCHANGE, and defendant, BRASSCRAFT MANUFACTURING COMPANY to extend the deadline for the parties to complete Early Neutral Evaluation, the Court hereby orders that the deadline for conducting the ENE session is September 26, 2014.

**PURSUANT TO STIPULATION, IT IS SO ORDERED.**

DATED: 6/5/2014

  
\_\_\_\_\_  
Honorable Sandra B. Armstrong  
United States District Court Judge

1                    CSAA (KALRA) v. BRASSCRAFT MANUFACTURING, et al.  
2                    UNITED STATES DISTRICT COURT, NORTHERN DISTRICT  
3                    CASE NO. 3:13-CV-05676-SBA

4                    PROOF OF SERVICE

5                    I, the undersigned, declare that: I am over the age of 18  
6                    years and not a party to the case; I am employed in the County of  
7                    Santa Clara, California, where the mailing occurs; and my business  
8                    address is: **333 West Santa Clara Street, Suite 930, San Jose, CA  
9                    95111.**

10                   On June 5, 2014, I caused to be served each of the interested  
11                   parties in this action set forth in the below list the foregoing  
12                   document(s) described as:

13                   •        **STIPULATION TO EXTEND DEADLINE FOR CONDUCTING EARLY  
14                   NEUTRAL EVALUATION SESSION; [PROPOSED] ORDER**

15                   ( )    **BY MAIL** I am readily familiar with the business practice for  
16                   collection and processing correspondence for mailing with the  
17                   United States Postal Service. Under the practice, it would be  
18                   deposited with United States Postal Service on that same day  
19                   with postage thereon fully prepaid at San Jose, California, in  
20                   the ordinary course of business. I caused such service by  
21                   placing a true copy of each document in a separate envelope  
22                   addressed to each addressee, respectively.

23                   ( )    **BY FEDEX OVERNIGHT MAIL** I am readily familiar with the  
24                   business' practice for collection and processing of  
25                   correspondence for mailing by FedEx. Pursuant to this  
26                   practice, once a FedEx envelope is sealed, it is placed at the  
27                   firms' receptionist's desk and between the hours of 4:00 and  
28                   5:00 every business day, the FedEx courier arrives at the firm  
29                   and picks up all FedEx envelope(s). I caused the service to  
30                   be effected by depositing the aforementioned documents in a  
31                   FedEx envelope addressed to each of the below listed counsel  
32                   for parties and I placed same at the receptionist's desk prior  
33                   to 4:00 p.m.

34                   ( )    **VIA FACSIMILE TRANSMISSION** Pursuant to California Code of  
35                   Civil Procedure Section 1013(e), and as evidenced by the  
36                   attached facsimile transmission report, I faxed the above-  
37                   described documents to each addressee named herein. The  
38                   facsimile machine I used complied with California Rules of  
39                   Court, Rule 2.301, and no error was reported by said machine.

40                   (X)    **BY ELECTRONIC CASE FILING SYSTEM:** I caused the document(s) to  
41                   be sent by ECF transmission to the persons listed below in the  
42                   Service List. I did not receive, within a reasonable time  
43                   after the transmission, any electronic message or other  
44                   indication that the transmission was unsuccessful.
