## INTRODUCTION

This is an ERISA collections case. Plaintiffs SAN MATEO ELECTRICAL WORKERS HEALTH CARE TRUST; INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, LOCAL UNION 617; SAN MATEO COUNTY ELECTRICAL CONSTRUCTION INDUSTRY **MATEO** RETIREMENT TRUST: SAN COUNTY ELECTRICAL APPRENTICESHIP TRAINING TRUST; Dominic Nolan, as Trustee of the above TRUSTS; and NATIONAL ELECTRICAL CONTRACTORS ASSOCIATION, SAN MATEO CHAPTER (hereafter "Plaintiffs") allege that Defendant MICHAEL BIRKELAND (hereafter "Defendant") failed to pay fringe benefit contributions due, resulting in liquidated damages and interest, as well as attorneys' fees and costs.

Defendant's deadline to answer the Complaint was on or about March 6, 2014. Defendant failed to file an answer or other responsive pleading on or before March 6, 2014, however. Accordingly, on March 25, 2014, Plaintiffs filed their request for entry of default. (See, Dckt. No. 11.) On March 26, 2014, this Court entered default as to Defendant. (See, Dckt. No. 13.) Plaintiffs therefore respectfully request that the Case Management Conference presently scheduled for April 10, 2014 at 2:00 p.m. before the Honorable Phyllis J. Hamilton be continued to a later date to afford Plaintiffs the opportunity to file their Motion for Default Judgment.

- 1. <u>Jurisdiction and Service</u>: This is an ERISA collection action, and as such, this Court has jurisdiction pursuant to 29 U.S.C. §§ 1132 and 1145. Defendant was personally served on February 13, 2014. (See, Dckt. No. 5.)
- 2. <u>Facts:</u> This case concerns the underpayment and nonpayment of mandatory fringe benefit contributions by Defendant to Plaintiffs. Plaintiffs allege Defendant's actions constitute a failure to make contributions to a multi-employer plan, as well as a breach of fiduciary duty,

pursuant to 29 U.S.C. § 1145.

- 3. <u>Legal Issues</u>: The principal legal issue in this case is whether Defendant is liable for the unpaid fringe benefit contributions and resulting liquidated damages, interest, attorneys' fees and costs.
- 4. <u>Motions</u>: Plaintiffs anticipate filing a Motion for Default Judgment. Plaintiffs are not aware of any other potential motions at this time.
- 5. <u>Amendment of Pleadings</u>: Plaintiffs do not anticipate any amendment of pleadings at this time.
- 6. <u>Evidence Preservation</u>: As Defendant failed has failed to appear in this case, the parties have not discussed any necessary steps to preserve relevant evidence.
- 7. <u>Disclosures</u>: As Defendant failed has failed to appear in this case, the parties have not exchanged initial disclosures.
- 8. <u>Discovery</u>: No discovery has been conducted. Pursuant to Fed. R. Civ. P. 26(f), the parties' discovery plan, including the Plaintiffs' views and proposals thereon, is as follows:
- (a) Plaintiffs do not propose any changes should be made in the timing, form, or requirement for disclosures under Rule 26(a).
- (b) Plaintiffs are unaware at this time of the subjects on which discovery may be needed. Plaintiffs believe that since the requisite discovery, if any, in this case will be minimal, discovery should be completed quickly and should not be conducted in phases or be limited to or focused on particular issues.
- (c) Plaintiffs do not foresee any issues about disclosure or discovery of electronically stored information.
  - (d) Plaintiffs are unaware at this time of any issues about claims of privilege or

of '	protection	as trial	-preparation	materials
~ -	protection	uo uiui	proparation	muchians

- (e) Plaintiffs do not propose any changes be made in the limitations on discovery imposed under these rules or by local rule.
  - 9. Class Actions: This case is not a class action.
- 10. <u>Related Cases</u>: A previous case *San Mateo Electrical Workers Health Care Trust, et al. v. F. Connolly Co.*, Case No. 12-cv-6452 SI is arguably related to the present action.
- 11. <u>Relief</u>: Plaintiffs seek money damages for unpaid and underpaid fringe benefit contributions owed pursuant to a collective bargaining agreement, plus liquidated damages, interest, attorneys' fees and costs.
- 12. <u>Settlement and ADR</u>: As Defendant failed has failed to appear in this case, the parties have not agreed to an ADR process.
- 13. <u>Consent to Magistrate Judge For All Purposes</u>: Plaintiffs do not consent to a magistrate judge to conduct further proceedings.
- 14. Other References: Plaintiffs do not believe this case is suitable for reference to binding arbitration, a special master or multi-district litigation.
- 15. <u>Narrowing of Issues</u>: As Defendant failed has failed to appear in this case, there has been no discussion between the parties regarding issues which can be narrowed.
- 16. <u>Expedited Schedule</u>: Plaintiffs do not believe there is a need for this case to proceed on an expedited basis. Plaintiffs expect the case will be resolved via a Motion for Default Judgment.
- 17. <u>Scheduling</u>: As Defendant failed has failed to appear in this case, Plaintiffs believe setting pre-trial dates is premature. Further, Plaintiffs believe the case will be resolved via a Motion for Default Judgment and, as such, there is no need for a pre-trial schedule.
