**STIPULATION AND ~~PROPOSED~~
 ORDER TO CONTINUE DEADLINE
 FOR MEDIATION**

22
 23 The deadline for the parties to participate in mediation through the Northern District ADR
 24 program is currently set for September 24, 2014. However, due to difficulties in scheduling, the
 25 parties will not have completed discovery necessary for an effective mediation by that date, in
 26 particular the parties' own depositions. The parties expect to conclude these initial depositions by
 27 the first week of October. Therefore, while the parties believe that mediation will be beneficial,
 28 the parties also believe that mediation will be most fruitful after this discovery can be completed.
