If the motion to relate is granted, it will be necessary to coordinate the schedule of this case with others. Setting a schedule at a CMC while the motion is still pending would not be efficient. Accordingly, the July 9, 2014 is VACATED and will be reset after the motion to relate is decided. It is FURTHER ORDERED that Coho file notice of Defendants' motion to relate in each of the cases implicated by the motion, if it has not already done so.

IT IS SO ORDERED.

United States District Judge
