Defendants.

United States District Court
For the Northern District of California

On May 8, 2015, Plaintiff Speculative Product Design, LLC and Defendant F&S Ventures, Inc. filed a notice indicating that they have reached a settlement in principle and a request that the Court stay the case pending the finalization of the settlement. The parties also request that the Court schedule a status conference for thirty days after the filing of the notice, to discuss the status of the settlement if the parties have not filed a stipulation of dismissal at that time. The Court GRANTS the request to stay and sets a status conference for Wednesday, June 17, 2015 at 2:00 PM. However, the Court advises the parties that it will not continue the pretrial conference or trial dates currently set for September 23, 2015 and September 28, 2015 respectively.
