**ORDER RE: CONDITIONAL TRANSFER AND  
ASSIGNMENT OF CIVIL CASE NUMBER**

13 On September 18, 2013, the Eastern District of Texas entered an order conditionally  
14 transferring the above-styled case to this Court, to become effective the day the Texas court entered  
15 its claim construction order. The Court is apprised that, on June 4, 2014, the Texas court entered its  
16 claim construction order. (Dkt. No. 46.) Accordingly, the transfer is now complete and the Clerk of  
17 the Court shall assign a civil case number to the above-captioned case.

18 The Court is aware that other cases brought by plaintiff in the federal courts of Texas and  
19 implicating the same patents-in-suit may be transferred to this District. The parties are reminded of  
20 this Court's Civil Local Rule 3-12(b). Any administrative motions to consider whether cases are  
21 related should be filed without undue delay but also with a view to minimizing the number of such  
22 motions.
